### **Keynote Speaking / Programs for Youth and Schools**

Experiential Solutions T.E.A.M., Inc. programs are designed to be facilitated through schools, social service agencies, youth organizations, juvenile justice systems, colleges, etc. Each keynote session or program explores a key program concept, and the concept is reinforced through experiential learning activities, PowerPoint presentation and speaking. The program can be modified in a variety of ways to respond to the needs of the group. It can be use as a prevention or intervention program.
